Sir

I have the honour to thank the Government most sincerely for their order No 1732-3 Edn to 251 08-5 dated 17-8-1909 sanctioning a grant of Rs 3 000/- towards the construction of new building for Boarding School Female Normal Training and Hostel for Hindu Female Students

I would draw the attention of Government to the large expenditure which I am incurring namely Rs 24,000 I calculated that I might rely on receiving a building grant of one third of my expenditure and that I should have to raise Rs 16,000/- in private contributions I recognise the present strain on the finances of the State and if a further sum of Rs 3,000/- can be granted in next year's budget I believe I may by extra effort be able to raise the remaining Rs 18,000

I beg to submit this matter to the sympathetic consideration of Government and trust that I may receive the assurance that my application will be complied with -

I have the honour to be,

Sir,

Your most obedient servant,

D. A. Rees.
